

Passport for goods

Last Modified : 14/09/2023 17:15

Country/Customs territory information is posted based on reports and notifications gathered from National Guaranteeing Associations and public sectors, the ATA Secretariat tries its best to make the data up-to-date, but ICC, in any case, is not liable for the accuracy of the content posted

## National Guaranteeing Association

The Finland Chamber of Commerce

## Date of accession to the ATA system

01/08/1964

## Field of application notified

ATA Convention

"Professional equipment" Convention

"Exhibitions and Fairs" Convention

"Commercial samples" Convention

"Scientific equipment" Convention

Istanbul Convention and all its Annexes

## Application under national laws

### Goods temporarily admitted:

1. Goods imported for international official festivals, sport contests, congress or similar international events
2. Goods imported for theatre performances
3. Goods intended to be tested or demonstrated, on the condition that the consignment consists either of one item of each kind of goods not imported with a view to sale.
4. Goods imported for the purpose of testing export goods
5. Special tools, apparatus and appliances imported for use in the manufacture of a particular consignment of export goods and made available to the manufacturer, free of charge, by the foreign buyer of the consignment.
6. Any container used, and also, where appropriate, the vehicle, may be shown (without requiring a separate Customs document for their temporary importation), on both the outward and return journeys, on the same ATA Carnet as the goods imported under the Exhibitions and Fairs Convention, on the condition, however, that the vehicle must not be used in the Finnish Customs territory for the transit of goods, other than those imported in it.

## Special conditions

Goods imported on consignment are excluded.

## Re-exportation

1. The time limit for re-exportation is one year (period of validity of the Carnet).
2. The requirement of re-exportation may be waived.

## Remarks

Where the goods or similar goods qualify under both international Conventions and the domestic regulations, the procedure providing the most liberal facilities is applied.

## Territorial coverage

Customs territory

## Other applications

ATA Carnets **are** accepted for transit operations.

ATA Carnets **are** accepted for postal traffic.

## Languages in which Carnets should be completed

Finnish, English, French, German and the Scandinavian languages

## Replacement carnet

1. Yes, in accordance with Article 251 Union Customs Code (UCC).
2. When the original carnet expires and a replacement carnet needs to be processed, if the goods are located in Finland, this procedure can take place in Finland even if the initial importation was made in another EU member state.

## Regularization fee requested by Customs

No

## Customs offices

All Customs offices are authorized to accept ATA Carnets from 8 a.m. to 4.15 p.m.

However, goods imported and exported in travellers' baggage can be cleared practically at any time.

## Special observations
