

## Gibraltar (GI)

Passport for goods

Last Modified : 14/05/2020 12:45

Country/Customs territory information is posted based on reports and notifications gathered from National Guaranteeing Associations and public sectors, the ATA Secretariat tries its best to make the data up-to-date, but ICC, in any case, is not liable for the accuracy of the content posted

### National Guaranteeing Association

Gibraltar Chamber of Commerce

### Date of accession to the ATA system

19/07/1963

### Field of application notified

ATA Convention

"Professional equipment" Convention

"Exhibitions and Fairs" Convention

"Commercial samples" Convention

"Scientific equipment" Convention

### Territorial coverage

Customs territory of Gibraltar

### Other applications

ATA Carnets **are** accepted for transit operations.

ATA Carnets **are not** accepted for postal traffic.

### Languages in which Carnets should be completed

English and Spanish

Customs officers are given discretionary powers to require the importer or his agent to furnish an English translation where necessary. These powers are rarely used.

### Replacement carnet

Replacement Carnets would be accepted on a case by case basis. It is recommended that the carnet holder asks the question before trying to cross the border. It would depend on the reason for the carnet being replaced with a duplicate.

### Regularization fee requested by Customs

No

### Customs offices

ATA carnets are accepted at the port and airport where Customs facilities for the clearance of goods and passengers' baggage are provided. At the land frontier with Spain ATA carnets are accepted at all hours.

There are no special hours relating only to the acceptance of ATA carnets and Customs clearance is effected during the official hours of opening at the port or airport. For traffic over the land boundary between Spain and Gibraltar ATA carnets are accepted 24 hours a day

## Special observations
