GITEX AI EUROPE 2026 will once again transform Berlin into the central stage for artificial intelligence, deep tech, and digital transformation.

The second edition of [GITEX AI EUROPE 2026](#) will take place from June 30 to July 1, 2026 at the Berlin Exhibition Grounds and will offer a platform for all key digitalization topics — from **AI, the metaverse, cloud solutions, 5G, and blockchain to cybersecurity, telecommunications, climate tech, and future mobility**, all of which are shaping Europe's digital future. During its highly successful debut, the event immediately attracted 1,446 exhibitors and 21,650 trade visitors from over 100 countries.

Over the course of two days, inspiring keynotes, panel discussions, and networking opportunities take center stage. New technologies are showcased, strategic partnerships are formed, and pioneering ideas are presented.

As part of this leading European event, the Enterprise Europe Network invites you to participate in Matchmaking@GITEX AI EUROPE 2026 – a targeted networking format that brings together companies, startups, research institutions, and innovation drivers.

Each meeting lasts 20 minutes and will take place

- **on-site** at Messe Berlin (Investors Lounge, Hall 4.2) from **June 30 to July 1, 2026**, and
- **online** from **July 2 to July 3, 2026**.

Participation in the matchmaking is free of charge, but it does require a valid GITEX AI EUROPE ticket for on-site meetings (At least three confirmed on-site meetings entitle participants to a free day ticket for GITEX AI EUROPE 2026.)

Matchmaking@GITEX AI EUROPE 2026 offers you the perfect stage to expand your network on European and global level.
