Charging period: the interest on arrears shall be charged over and above the amount of import duty, from the date on which the customs debt was incurred (date of import) until the date of its notification (date of the receipt of the customs decision about the customs debt).

With reference to the charging period, as the last day of the charging of interest on arrears is the day of customs notification (the date of receipt of the customs decision), the amount of the interest on arrears cannot be defined in advance, in the customs calculation (or in the A, C or I chambers letters), but only in the G letter.
