

**Invitation to the Conference: "Five Years of Croatia's Membership in the European Union", July 2<sup>nd</sup> 2018, Zagreb**

Dear Sir/Madam,

Marking the fast-approaching fifth anniversary of the Republic of Croatia's full membership in the European Union, the Croatian Chamber of Economy, with the support of the European Commission Representation in Croatia is organising the "Five Years of Croatia's Membership in the European Union" conference, which will be held on July 2<sup>nd</sup> 2018 at the Plaza Event Centre, Slavonska avenija 6, Zagreb.

The aim of the conference is to reflect on the first five years of the Croatian EU membership from a macroeconomic point of view and to hear the perspectives of Croatian entrepreneurs and the EU. As this year marks the 25<sup>th</sup> anniversary of the European Single Market, one of the panel discussions will try to provide an answer to the following questions: "How unique is Croatia on the single market" and "What does the single market mean for the Croatian economy"? The second panel discussion will be focused on the topic of how successful utilization of EU funds was in strengthening the competitiveness of the Croatian economy.

The Croatian Chamber of Economy is currently conducting a survey among Croatian entrepreneurs on the impact of EU membership on the overall business climate and use of EU funds. The survey results will be presented at the conference.

It is our great pleasure to invite you to participate in the "Five Years of Croatia's Membership in the European Union" conference, which will be held
